

OCSAA Cheerleading

Coaches and Sponsors!

It's that time again! State Cheer Competition is around the corner and fast approaching. This year's competition date will be November 6th. Times to be announced as registrations come in. We are going to condense some of the divisions this year so that the championships are more competitive, therefore divisions will be announced after registrations are turned in. It is very important that you turn in registration and rosters as soon as you know that you are competing. This will enable us to put the divisions together at the earliest date possible. I will announce divisions by email and on the website. We will also be hosting the All State Tryouts for both JR High and High School at this time.

Here is the break down for the individual divisions. If you need rules for the team divisions, please contact me and I will email them to you.

Best Jumps:

- They need to bring their three best jumps.
- Jumps need to be done in the same manner as they would be done for All State Try Outs.
- Stamina style without stopping in-between or they can do them with the straight jump in-between.
- Only advance jumps. Advance jumps are: toe touch, herkies, hurdlers, double nines, and pikes.
- Each cheerleader will walk on to the middle of the cheer floor and perform their three jumps and walk off. NO SPIRITING! We want this to go as fast and smooth as possible.
- JR High and High School divisions. Male and Female.
- \$10.00 fee for this.

Best cheer:

- Cheer only
- With motions and crowd interaction
- Incorporation of a jump or standing tumbling into the cheer is encouraged, but not required.
- No spiriting on or off the floor.
- JR High and High School divisions. Male and Female.
- \$10.00 fee for this.

Best Tumbling:

- Running tumbling only
- Cheerleader will throw their best tumbling pass, keep in mind that there will be mats
- No Spiriting. We want this to move as quickly as possible.
- \$10.00 fee for this.

All state:

- Walk out to the corner of the mat and do 3 advance stamina jumps (as they would for the Best Jump competition).
- Spirit or tumble on to the middle of the floor.
- Do a cheer with good, sharp motions, and clean level changes.
- Incorporation of a jump or standing tumbling into the cheer is encouraged, but not required.
- Cheerleaders and parents should know that you they are NOT All Staters until they show up for the practices and the All State games. When being selected for the team, they are All State selectees.
- \$10.00 fee for this.

Best Mascot:

- Mascots need to create a skit that would be used in a halftime situation during a football game.
- The skit should be at least a minute and half long, but is not to exceed two minutes.
- Mascots will be judged on creativity, use of props, and crowd involvement.
- The mascot must perform their skit alone.
- Props should be minimal and able to set up quickly in under a minute.
- Mascot may use one person as a prop to help with the routine, but the mascot must be the focus of the skit. The helper may assist with props.
- Music may be used to enhance the routine.
- Any suggestive music or dance will result in disqualification.
- Fees \$10.00 per mascot. Due November 2

Team competition:

- JR High, JV, Small Varsity up to 8, MD Varsity 9-14, LG Varsity 15 & UP, and CO-ED Varsity Divisions. The Divisions will be finalized after contracts have been received.
- Cheer / Music Division – Minimum 1 minute cheer.
- Any suggestive music or dance will result in disqualification.
- Fees \$25.00 per cheerleader. Due November 1
- Contract and roster due no later than October 29

I am very excited for this year's competition. I hope to see you all there! Call me or email me if you have any questions or concerns. Janet.Cornsilk@destinywildcats.com
